 What type of fls. do we want?
 Bay fln. or straight (bay type) - (Bay fln. is more economical than bay type)
 (\$400,000 profit made in our Ohio Dept., which was ab. 18% of total profit)
 Bay type - as per plan. (C.B. H. + H. J. did not form this; + S.B.K. that also)
 \$400M for total job; \$32M for perimeter lighting jobs
 Do complete job.
 #172 Wash, DC. - (Mowrer, mgj)
